

**RETURNING CATHOLIC?
BEGINNING
WEDNESDAY, FEBRUARY 15, 2012
7:00 pm, Mullen Commons
Downstairs, Room 1**

- Out of the habit of Sunday Mass?
- Divorce/Remarriage issues?
- Misgivings about the Catholic Church?
- Confused about current practices and beliefs and feel a need for updating?

Do any of these describe you or someone you know? This seven week process offers information and support for Catholics who have been away from regular practice of the faith for whatever reason. A past participant said, *“I have a better picture of what being a Catholic is today. Hearing the experiences of others and having my questions listened to and answered in a safe, non-judgmental environment, I’m more at peace with my faith.”* Feel free to join us. Invite a friend. We welcome you.

If you want to talk about your own situation before the sessions start or if you would like more information, please contact Nora Petersen, Pastoral Associate for Adult Faith Formation, at the parish office (925) 939-7911X107, email npetersen@sjvianney.org.
