

SJV Hospital Ministry

*Ever been hospitalized and felt lonely and upset about your health?
Do you remember the kind person who prayed with you or just gave
you a gentle touch that made a difference on how your day was going?*

NEEDED: a kind, gentle person to bring God's loving presence to someone who is in the hospital. SJV Hospital Ministers are the hands and voices of Christ to those in the hospital and a reflection of His love. Their loving care can make the difference in the patient's stay at John Muir Medical Center. (Training will be provided.) The hospital ministers who have done this for a long time will tell you how much more they receive than they give to those in the hospital.

Complete the form below and place it in the collection basket or return it to the Parish Office. For more information, please call the Parish Office at 939-7911 ext. 0.
